

AIR & WASTE MANAGEMENT
A S S O C I A T I O N

Lake Michigan States Section

September 16, 2011

To: Potential Exhibitors

Re: Lake Michigan States Section of the A&WMA
2011 Air Quality Management Conference, November 3, 2011

The the Air & Waste Management Association (A&WMA) Lake Michigan States Section of is once again sponsoring their Annual Air Quality Management Conference. The Air Quality Management conference has become a tradition in the region - bringing together environmental professionals from industry, government, environmental services and the legal community to learn about the hottest issues and most important developments in this rapidly evolving field. This year, prominent leaders in air quality management will provide information and insights on such current topics as changes to NAAQS and MACT standards as well as GHG regulatory and legislative developments. Also to be covered will be air inspection and enforcement issues. The current conference agenda is attached. Since these topics generate significant interest among consumers of environmental products and services, we expect that the conference will again be very well attended. Accordingly, exhibitors at the conference will have a valuable opportunity to meet potential customers.

Your firm is invited to be an exhibitor at this important conference. The conference is scheduled for **November 3, 2011** at Abbington Distinctive Banquets, Glen Ellyn, Illinois. This location allows us to accommodate additional exhibitors. Last year we had over 20 exhibitors. In order accommodate all the exhibit requests that are anticipated, exhibitors will be limited to tabletop displays only. The fee will be \$550, which includes:

- 6' Exhibit table
- Literature table (skirted)
- Chairs
- Full registration for one representative
- One (1) exhibit only registrations for additional staff (meal charge for those attending lunch)
- Exhibitors' cocktail reception – with each exhibitor receiving 10 drink tickets to distribute.
- Signage indicating exhibitor sponsorship, with company names listed.
- Acknowledgement of your company by name in conference proceedings.
- List of conference registrants.

For those who have signed up to be a Corporate Sponsor you will receive the 10% discount on the exhibitor fee. For information on being a Corporate Sponsor check out <http://lmawma.org/html/sponsors/SponsorshipsPlan.pdf>

The exhibits will be highly visible to conference participants during the entire conference, with specific times for viewing during breaks and a closing reception. These periods will offer excellent opportunities to discuss your products and/or services with interested attendees.

If you wish to exhibit, please fax the attached request form to (847) 202-0427. Requests will be considered complete based on the receipt of a check or a credit card charge authorization for the full amount, (payable to LM-AWMA) which must be received no later than October 20, 2011. If you require additional information, please do not hesitate to contact me at (630) 521-9400 or Robin Pelsis, LM-A&WMA Administrative Assistant at (847) 202-0418.

Very truly yours,
A&WMA LMSS

David Ozawa
